## TERMS AND CONDITIONS

Terms - The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made. Should any purchaser fail to settle for his purchase, Lewis Farms Ltd., reserves full power to resell the animal to the best advantage, either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released.

Disputes - In case of disputes, bidding will be re-opened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

Purchaser's Risk - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

Announcements - Announcements from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

Registry of Cattle - The proper Registration or Recordation paper, as the case may be, will be transferred and furnished to the buyer for each animal after settlement has been made.

Bull Breeders Guarantee - Refer to page 4.

Exception to Guarantee - In the case where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the Lewis Bull Warranty (Guarantee) shall be null and void.

Settlement - No incidental expenses such as feed, care, A.I. signing fees, interest, veterinary charges, etc. will be charged by either party when making settlement. If the seller is successful in proving the animal in question to be a breeder, then said animal will be reclaimed by the purchaser. Should the seller fail to prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement. In no event shall the seller be responsible for more than the purchase price. Should a dispute arise over the quality of a replacement animal, Lewis Farms Ltd. will appoint a mediator.

Accidents - Although every precaution will be taken to protect the safety and comforts of buyers, neither Lewis Farms Ltd., the auctioneer, or association assumes any responsibility in this matter, and disclaims any liability, legal or otherwise, in the event of accidents or loss of property.

Rights and Obligations - The above terms and conditions of the sale shall constitute a separate transaction and the rights and obligations of the two.
